

Sportsman

2010 Class Rules

Formerly 400 Sportsman Class

This class is designed as a run what you bring sportsman or a learning class. The sportsman class will not accrue year end points or payout on any weekly race night unless noted for a special event.

The sportsman class consists of any purpose built (micro sprint type) racecar with an engine displacement of 125cc through 636cc. Any engine with a displacement of 600cc and larger will have to run restrictor plates designated by CCMRA.

All car and track safety rules apply, and will be policed by the safety director.

Minimum requirements:

- 1) Must be at least 10 yrs.
- 2) All drivers 10-12 must be able to complete a drivers test upon CCMRA request.

Test items:

- 1) Restrictor plates on engines 600cc and over.
- 2) Any safety items.
